

Tamanca Villa Location

Just 15 minutes walk from the city of Ibiza and its famous harbours you will find the one and only Bay of Tamanca. The perfect blue-water beaches and its privileged location promising sun all day long are not its only attractions. The true magic occurs at dusk. In fact it is said that from this bay you can enjoy the best sunsets on the whole island and the amazing views of the city of Dalt Vila.

The beautiful Tamanca Bay is located only 15 minutes on foot away from Ibiza and the main seaports of the Island. Its spectacular clear water beaches offer a unique landscape, from which we can enjoy the best sunset of Ibiza. Along the Tamanca bay, its visitors can choose among a large variety of restaurants and bars, and find a whole range of small traditional shops, supermarkets, banks and news-stands. Very close to Tamanca, just 5 minutes away, is the small village of Jesús.
